

NILSON

Design Lievore Altherr 2017

Caratteristiche: Nilson è un modello dalla linea innovativa la cui caratteristica principale è l'elevata comodità. È disponibile in due versioni: con lo schienale Alto o con lo schienale Basso. La versione Alta (alla quale raccomandiamo di aggiungere i cuscini bracciolo opzionali) è dotata di un poggiatesta reclinabile in diverse posizioni che lo rende ergonomicamente perfetto, offrendo una comodità insuperabile. Nilson, nella versione Basso (che può "vivere" anche senza cuscini bracciolo), è dedicato a chi preferisce una seduta informale dal tratto contemporaneo. Per entrambe le versioni sono disponibili tre diverse misure di divani, tre diverse misure di laterali oltre alla chaise longue, alla poltrona lunga, al daybed e un pouf. La poltrona girevole con il suo pouf completa la collezione. La struttura del bracciolo è disponibile su richiesta in rigenerato di fibra di cuoio, tagliato e cucito al vivo, color testa di moro, senza supplemento di prezzo. Il rivestimento è completamente sfoderabile ad eccezione della versione in pelle. **Struttura:** Fusto in legno multistrato e massello imbottito in poliuretano espanso indeformabile, priverestimento con Velfodera, piedi in fusione di alluminio verniciati color bronzo. **Imbottiture:** Cuscini di seduta in poliuretano indeformabile a densità differenziata e fibra poliestere, cuscini schienale in piuma canalizzata con inserto in poliuretano indeformabile. I cuscini bracciolo (opzionali) sono interamente in piuma. Tutte le imbottiture sono interamente rivestite in tela bianca.

Features: Nilson is a model with an innovative design characterized by a high level of comfort. It is available in two versions: with High or Low backrest. The High version - for which the optional armrest cushions are recommended - is provided with a reclinable headrest, which makes it ergonomically perfect and offers an amazing comfort. Nilson in the Low version - that can "live" without armrest cushions - is thought for those who prefer an informal seat and a contemporary style. Three sizes of sofas, three sizes of side pieces, a chaise longue, a long armchair, a daybed and a pouf are available for both versions. A swivel armchair and a pouf complete the range. The structure of the armrest is available upon request in regenerated leather fiber, with visible cut and sew, dark brown, no extra charge. The cover can be completely and easily removed except for the leather version. **Framework:** Frame made of solid and plywood, padded with non-deformable expanded polyurethane of differentiated density. Lining in Velfodera. Feet are in bronzed painted aluminium cast as standard. **Cushion Padding:** Seat cushions in non-deformable expanded polyurethane with differentiated density and polyester fibre, backrest-cushions in canalised feathers with non-deformable polyurethane insert. Optional armrest cushions are entirely in feather. All padding is fully lined with white fabric.

Eigenschaften: Nilson ist ein Modell innovativer Linie, dessen Hauptmerkmal der hohe Grad an Komfort ist. Es ist erhältlich in zwei Versionen: mit hoher oder niedriger Rückenlehne. Die „Hohe Version“ (empfehlenswert sind hier die optionalen Armlehnkissen) mit der neigbaren Kopfstütze bietet eine perfekte Ergonomie und extremen Komfort. Die niedrige Version (sie kann auch ohne Armlehnkissen „leben“) richtet sich an diejenigen, die das Informelle und moderne Linien lieben. Für beide Versionen sind drei verschiedene Größen der Sofas, drei verschiedene Größen der Seitenteile, die Chaiselongue, der Longchair und das Daybed verfügbar. Der Drehsessel mit seinem Hocker vervollständigt die Kollektion. Die Struktur der Armlehne ist auf Anfrage in dunkelbraunem Bonded Leder mit Steppnaht erhältlich, ohne Aufpreis. Die Bezüge sind komplett abnehmbar, mit Ausnahme der Lederausführung. **Struktur:** Korpus aus Massiv- und Mehrschichtholz, gepolstert mit formstabilem Polyurethan und Unterbezug Velfodera. Füße in bronzefarben lackiertem Aluminiumguss. **Polster:** Sitzkissen aus formstabilem Polyurethan differenzierter Dichte und Polyesterfaser; Rückenkissen aus in Kammern gesteppten Federn und einem formstabilen Polyurethankingern. Die optionalen Armlehnkissen haben eine komplette Federfüllung. Alle Polster sind mit einem weißen Unterbezug verkleidet.

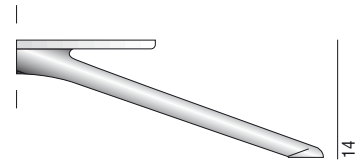

SEZIONE SECTION SEKTION

- 1:** Poliuretano a densità differenziata.
Differentiated density polyurethane.
Polyurethan differenzierter Dichte.
- 2:** Poliuretano. Polyurethane. Polyurethan.
- 3:** Fibra Poliestere. Polyester Fibre.
Polyesterfaser.
- 4:** Fusto in legno massello e multistrato.
Frame in solid wood and plywood.
Korpus aus Massivholz, und schichtverleimt.
